Dear Member of the Community:

The Fayette Strider's Running Club is once again preparing for our annual Mount Summit Challenge to be held on April 25, 2010 at 9:00 AM in Hopwood. This year is the 28th edition of the "run up the mountain" for our area. It is one of the longest running road races in the tri-state area, which as had an excess of 600 participants in the last several years!

Since 2006 the proceeds from the Mt. Summit Challenge have gone to our Fayette County Cross-Country and Track & Field Scholarship. The Scholarship is for one male and one female senior from the Fayette County school district, who is continuing their education beyond high school.

A race of this size requires support from the community and each year our Club is appreciative of the community support given to our annual race. This year we have created three levels for providing a donation to our race:
